BupS - Poland

Letter of Support

We wish to support the proposal BupS Poland under the IEE initiative "Build up Skills" which aims to organize and facilitate the national system qualification and training system for building workforce in energy efficiency and renewable energy sources in Poland. It is an action vital for securing the quantity and quality of the workforce necessary for Poland to reach the 2020 targets in terms of energy efficiency improvement, RES utilisation and CO₂ emission reduction.

Stowarzyszenie Nowoczesne Budynki SNB / Modern Buildings Association MBA / has a sincere and continuing interest in the proposed project activities.

We intend supporting the dissemination of BupS Poland via our own dissemination channels like website, newsletters, events etc. and implement in the future project achievements.

We look forward to a fruitful cooperation.
